## KENYA TRIP AGREEMENT

I agree with the following guidelines for the *Kenya Missions Trip 2010* and promise to abide by them:

1. Ladies must wear dresses or modest skirts and tops at all times. Dresses and skirts must cover the knee.
2. No one is to leave the group at any time without permission of the team leader and must be accompanied by someone designated by the team leader.
3. No money is to be given to Kenyans.
4. Any post-trip arrangements made with Kenyans must be approved by and arranged through Calvary Ministries Outreach, Int'l. If the Lord puts it on your heart to sponsor or assist a Kenyan, discuss it with your team leader. If the team leader feels that the sponsorship or assistance is appropriate, he or she will make the necessary arrangements.
5. No one is to transport merchandise back to the US for resale without the approval of the team leader.
6. Meals will be taken as a group.
7. If you take food items with you into the field, it must be limited to snack food and you must be willing to share it with the Kenyans. Take nothing that requires cooking or heating of water.
8. All rules laid out by the team leader must be followed explicitly, whether verbal or written. These rules are subject to change daily based upon the need of the moment, the location, etc.
